Experience

Infographics Group | Junior Frontend Developer

Berlin, Germany (Oct 2019 - present)

Frontend web development and data visualization at a design and infographics agency. Using React, JavaScript, CSS and D3.js.

Infographics Group | Infographics Trainee

Berlin, Germany (Oct 2018 - Sept 2019)

Yearlong infographic fellowship at a design agency. Worked with data cleaning, D3.js, news app development, GIS, animation, illustration, C4D, research and storytelling. Also worked as part of the development team on client and internal web development projects.

Buying Show GmbH | Junior Frontend Developer

Berlin, Germany (March 2018 - Sept 2018)

Frontend development and web design for a B2B fashion application. Worked on an agile team using React, JavaScript, HTML/CSS, Adobe CC and Wordpress, focusing on UI development.

The Denver Post | Graphics Intern

Denver, Colorado, US (June 2017 - September 2017)

Designed and developed graphics and maps for the print and web editions of the Denver Post newspaper. Used Adobe CC, HTML/CSS, JavaScript and QGIS. Worked with reporters, copy editors and designers.

Montana Kaimin | Design Editor

University of Montana (May 2015 - May 2017)

Managed a team of student designers at the University of Montana's student newspaper. Oversaw and produced the design of infographics, weekly print edition and web visuals, and redesign of a daily paper to a weekly with an online news focus.
